Leading Voice & Data Services

Businesses rely on **fast** and **stable internet** and **telephony** systems. As such we have invested in **gigabit fibre** providing **super fast** and **reliable** internet and a top of the range **VOIP** phone system.

Our office suites are set-up so you can **plug and play** letting you access **unlimited, dedicated**, internet and **free calls** to many UK 01, 02, 03 and 07 numbers.

We have a full-time **Network Engineer** based onsite who monitors the network and can help provide support, **troubleshooting** and **assistance** with any issues related to our internet and telephone service. As such, we are able to respond to, and resolve, any issues quickly whilst minimising downtime to your business.

You can rest assured that our network is **monitored 24/7**, has a **backup UPS, firewall** and gigabit fibre line for resilience ensuring that you stay connected.

We provide **3Mbps** dedicated internet per workstation meaning that you are not impacted by other users in the building.

We offer **robust security** for your network including firewalls, IPS, gateway anti-virus scanning and private VLANs.

Our network equipment is housed in an **air-conditioned** comms room with 24/7 **temperature monitoring**.

Challenge House is located next to the green and pleasant surroundings of Bletchley Park.

Challenge House is very **accessible** by road and public transport and there are plenty of amenities nearby.

Bletchley Railway Station is a 10 minute walk away where you can reach **Milton Keynes Central** in 5 minutes and **Central London** in 40 minutes. There are **hourly buses** to and from Central Milton Keynes which stop outside the

building and we are located less than an hour from **Luton, Stansted** and **Heathrow Airports**.

We are a 5 minute drive from **Stadium MK** and a major **Retail Park** in Bletchley with hotels and restaurants; 5 minutes from the **A5** and 15 minutes from the **M1**. The world-famous **Bletchley Park** is a short walk away.

Whether you need an **amazing office** designed to your own specification, a desk in a **shared office** or just a **virtual office** or **business address**, we've got you covered.

We'll manage the building leaving you to focus on running your business. Think of us as your own personal office and facilities manager in one.
