PROMINENT D1 BUILDING

Location

The property is located at the eastern end, and on the southern side of Plumstead High Street slightly set back from the road between its junctions with Rippolson Road and Quilter Street.

The immediate area comprises a mix of housing, independent retailers, a church and Plumstead Library. Immediately to the west is a modern three storey residential development.

Plumstead mainline station is approximately 0.5 miles to the west providing services into central London (Cannon Street 33 mins.).

The larger centre of Woolwich with its extensive range of office, retail and leisure facilities lies approximately 1.5 miles to the west and benefits from transport facilities with Woolwich Arsenal DLR Station, Woolwich Mainline Station and the Crossrail station due in 2019.

Plumstead is a priority regeneration area for the Royal Borough of Greenwich. Substantial resources from both the public and private sector have been focused on the area to bring forward positive change. This includes significant investment in a number of projects: Plumstead Library and leisure centre (£16m), Plumstead Station public area improvements (£2.7m), Good Growth Fund project (£5.2m), Plumstead Housing Zone site and Plumstead gyratory traffic improvements.

Description

The property comprises an attractive two storey detached building of brick elevations with masonry window detailing beneath a pitched slate tiled roof constructed in the early 1900’s.

The property was previously used as a family resource centre and is arranged as four rooms on the ground floor and six rooms on the first floor plus ancillary kitchen and WC facilities.

The building benefits from a vehicular access to the side providing access to a gated courtyard providing private outside space or parking. There is an electricity sub station building on the site.

Planning

The local planning authority is the Royal Borough of Greenwich

The property was previously used as a Day Centre and Nursery and benefits from an existing D1 use. The property may be suitable for alternative uses, subject to obtaining the necessary planning consents.

The building is included on the Local Heritage List, and the Council’s preference would be that the existing building or façade would need to be incorporated into any potential redevelopment.

Interested parties should contact the Royal Borough of Greenwich Planning Team on 020 8921 5019 to discuss planning issues.

Tenure

The property is to be sold freehold with vacant possession, subject to any existing rights, reservations, obligations and title issues, and the lease for the electricity sub station.

Viewings

Viewings should be arranged by prior appointment with Glenny LLP.
