#### **Asset Information**

Size: 118,673 sq ft

Vacancy: 4.2%

Rent: £2,024,598 pa

Rent psf: £15.82 (on let, excl.

car park licence income)

Market £2,505,682 pa

Rent:

Market £19.64 (excl. car Rent psf: park licence income)

WAULT: 3.6 years to expiries and 2.5

years to breaks

Tenure: Freehold

- Highly specified, landmark South East office building arranged over 118,673 sq ft across ground and seven upper floors.
- Prominent location on Manor Royal Business Park, one of the most established business locations in the South East, providing strategic access to Gatwick Airport.
- A total passing rent of £2,024,598 per annum. This equates to £15.82 per sq ft overall on the let accommodation, excluding the car parking income.
- Let to 11 tenants on 13 occupational leases, including British Airways, Avios, Elekta, Aerdata (with a guarantee from Boeing), Westcon, Tesco, Concur and Snap Fitness.
- 95% of the income is let to tenants with a Credit Rating score of over 80/100 'Secure' (from FAME and Dun & Bradstreet).
- Over 50% of the income is from tenants directly related to air travel and benefitting from Astral Towers' proximity to Gatwick Airport.
- Significant reversionary potential, with the recent letting on the Third Floor to IAGO Solutions at £22.50 per sq ft providing the latest rental evidence within the building. The property has a total overall Market Rent of £2,505,682 per annum.
- A WAULT of approximately 3.6 years to expiries and 2.5 years to breaks, which allows the opportunity to significantly increase rents in the short to medium term.
- A low vacancy rate of 4.2%.
- Benefits from considerable recent capital expenditure, with over £2 million invested over the last three years (including £685,000 on refurbishing the cladding, £150,000 to replace the chiller and £390,000 on refurbishing the sixth floor).
- An exceptional car parking provision, with 624 spaces providing a ratio of 1:190 sq ft.
- Benefits from a number of asset management opportunities including letting the vacant accommodation.
- Offers are invited in excess of £25,700,000 (Twenty Five Million Seven Hundred Thousand Pounds), Subject to Contract and exclusive of VAT.
- This reflects a **Net Initial Yield of 7.38%** and a **Reversionary Yield of 9.13%** (assuming purchaser's costs of 6.76%) and a capital value of £217 per sq ft.

Gatwick / Crawley is an established office location within the county of West Sussex, lying approximately 32 miles south of London and 22 miles north of Brighton.

The town benefits from excellent transport communications and Crawley town centre lies approximately four miles south of London Gatwick Airport, the UK's second largest airport serving over 220 locations around the world and generating approximately 23,000 on-airport jobs and a further 13,000 related jobs.

There are also excellent road connections as the town is located approximately two miles west of the M23 motorway, which directly links (via Junctions 10, 10A and 11) to Junction 7 of the M25 giving access to London to the north and the South Coast to the south.

Additionally, there is a fastest journey time of 28 minutes to London Bridge from Three Bridges Station (to the east of the town centre).

# situation

The property is situated on Manor Royal Business Park, approximately 1.5 miles north of Crawley town centre and two miles south of Gatwick Airport. The property is prominently located fronting the A23 (London Road), which acts as one of the major links between Crawley and Gatwick Airport. There is easy access to the M25 motorway via the M23 motorway from either Junction 9 (2.5 miles to the east) or Junction 10 (3.5 miles to the east).

Manor Royal is one of the largest business districts in the South East and a major mixed use employment area. It consists of approximately 600 acres of industrial and office uses as well as leisure and retail offerings. Approximately 500 businesses create 30,000 jobs within the park. Occupiers are from a wide variety of sectors including financial, professional services, manufacturing and a number of airline and travel businesses due to the proximity of the park to Gatwick Airport.

The park also benefits from a number of amenities, with Tesco Express part of the subject property and the adjacent recently developed Acorn Retail Park complementing the Tesco offering with an M&S Simply Food, an Aldi and a Smyths Toys. There is also a Premier Inn and Ibis Hotel nearby and County Oak Retail Park lies to the south of the property, having been completed in 2016, and providing one of Crawley's premier out of town retail destinations.

Astral Towers comprises 118,673 sq ft arranged over ground and seven upper floors. The ground floor comprises a Tesco retail unit, the office accommodation let to Concur and a Snap Fitness gym unit. The upper floors provide good quality office accommodation consisting of a north and south wing constructed around a central core area.

The property was extensively refurbished in 2012 and has also significantly benefitted from the recent 2017 phased refurbishment of the external cladding and replacement of the chiller. It benefits from the following specification including:

- Suspended ceilings
- Raised floors
- Perimeter trunking
- Four pipe fan coil comfort cooling
- Category II lighting
- Double glazed windows
- Four 20 person passenger liftsMale and female WCs on each floor

on the East and South elevations

- Recently significantly refurbished external cladding
- New chiller recently installed which serves the whole building.
- 624 car parking spaces providing an exceptional ratio of 1:190 sq ft.

= 13 15 e

## accommodation

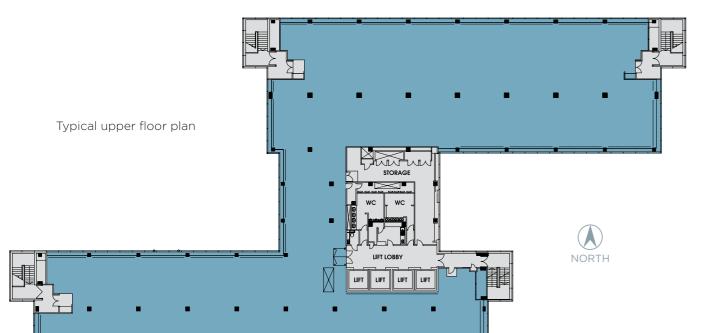

The property has been measured in accordance with the RICS Code of Measuring Practise (6th Edition). A Plowman Craven Measured Survey dated May 2017 is assignable on request and provides the following net internal areas:

# asset management

Astral Towers provides the opportunity to undertake a number of asset management initiatives in order to increase the amount and length of income including:

- Letting the remaining vacant Third Floor space and growing the office rental profile throughout the building by taking advantage of the reversionary nature of the income, as evidenced by the recent part Third Floor letting to IAGO Solutions at £22.50 per sq ft.
- Exploring the opportunity to split floors to capitalise on demand for smaller office floorplates within the Crawley occupational market, again as evidenced by the recent letting of part of the Third Floor to IAGO Solutions.
- Rentalising the eighth floor suite, which is currently utilised by the onsite management team, by fully refurbishing the floor. The nature of the space and the views would likely lead to a high rental value being achieved.
- Taking advantage of upcoming lease events and rent reviews to achieve a rental uplift based on recent evidence.
- Re-gearing existing leases in order to extend the WAULT of the property and create a longer, robust income profile.

## the site

The site extends over an area of 6.56 acres (2.67 hectares).

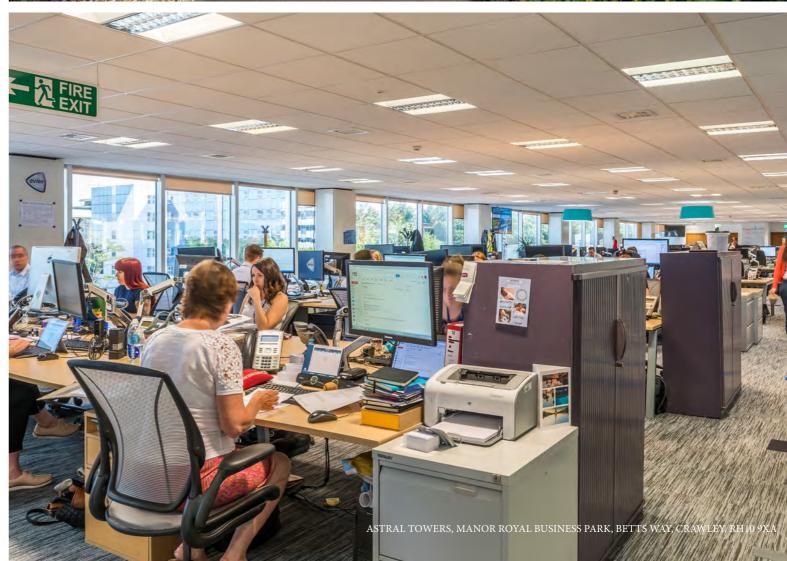

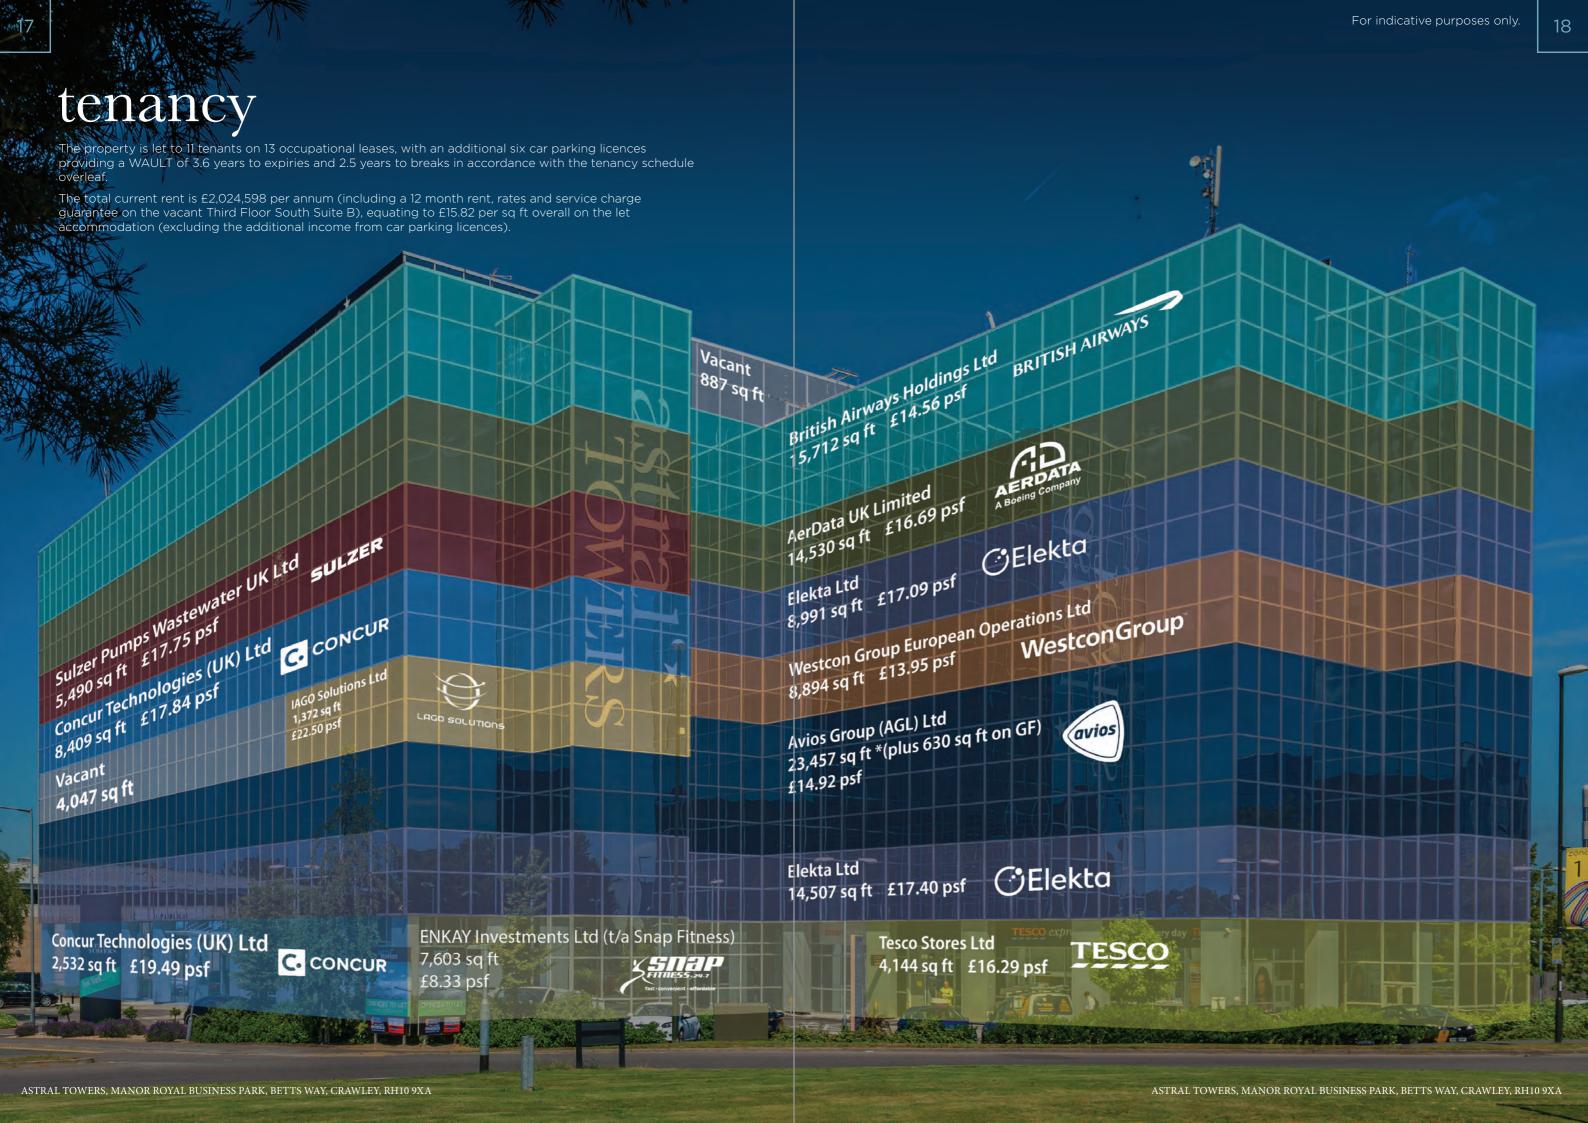

Plan not to scale. For indicative purposes only.

## covenant

With over 50% of the income attributable to companies with their prime business focus on air travel, Astral Towers is strategically located to take advantage of its proximity to Gatwick Airport. It benefits from a strong tenant line-up with 95% of the income from tenants recording a credit rating of 80/100 'Secure' or above.

#### Avios Group (AGL) Limited (02260073) - 20.0% of the rental income

Avios, formerly Airmiles, is the frequent flyer rewards programme for British Airways Plc and its parent, International Airlines Group (IAG). The company was the UK's first travel loyalty scheme and is operated by IAG, which was formed in January 2011 by the merger of British Airways and Iberia. IAG is the world's sixth largest airline operator and recorded revenue of over £19 billion in 2016. The company is listed on the London and Madrid Stock Exchanges and is a constituent of the FTSE 100 and IBEX 35 indexes.

Avios has hundreds of household named commercial partners, enabling members to obtain Avios frequent flyer points. These can be used when flying with IAG airlines including British Airways, Iberia, Aer Lingus, LEVEL and Flybe and travel within the Oneworld alliance. In 2015, all IAG's loyalty programmes which use Avios were transferred into the subsidiary company Avios Group Limited. The company has a Dun & Bradstreet rating of 5A 1 and a FAME credit rating of 88/100 'Secure', reflecting a minimal risk of business failure.

#### Elekta Limited (03244454) - 20.1% of the rental income

Elekta is a human care company pioneering innovations and clinical solutions for treating cancer and brain disorders. The company has expanded into a public medical technology group with more than 3,600 employees worldwide. It is headquartered in Sweden and listed on the NASDAQ Stockholm. Elekta Limited has a Dun & Bradstreet rating of 5A 1 and a FAME credit rating of 86/100 'Secure', reflecting a minimal risk of business failure.

# Gatwick

220
destinations

Scountries

44m passengers

£272m invested in 2016

**36,000** jobs created

The property draws significant benefit from its proximity to the UK's second largest airport.

Gatwick reported that 2016 saw it carry over 44 million passengers in a year for the first time ever after its annual results showed an increase of 3.2 million annual passengers (7.7% year-on-year growth).

The majority of these (approximately 37 million passengers) travelled on short-haul flights between Europe and the UK but there has also been an expansion of its long-haul flight capacity, with the airport now offering 60 long-haul routes. This is exemplified by the new China Airlines route from London to Taipei opening in December.

On the release of its June 2017 annual results, the airport's pretax profits were down from £141 million to £131.8 million due to its higher operating costs. However, Gatwick invested £272 million in the financial year, with improvements including a new bag drop area for Easyjet, security gates and an upgraded British Airways and Virgin Atlantic VIP lounge.

The strength of the recent results and expansion being seen at Gatwick only serves to enhance its pull to potential occupiers. The airport serves 220 destinations (more than any other UK airport) in 90 countries and remains a significant economic driver for the South East, generating approximately 23,000 jobs directly related to the airport and an additional 13,000 jobs through related activities.

# occupational market

Along with the wider South East occupational market, Crawley/Gatwick has witnessed a consistent level of take-up and diminishing supply which is likely to continue to drive increasing rental values moving forward.

The Gatwick/Crawley office market is one of the most established office locations in the South East, principally focused around three areas: Crawley town centre; Manor Royal and City Place/Gatwick Airport fringe. The town centre has typically attracted professional and FBS occupiers, especially legal and accounting firms, with PWC, Irwin Mitchell, RSM (Baker Tilly) and Grant Thornton among the key tenants.

On Manor Royal, tenants are more diverse, including engineering, mineral exploration, travel companies, aeronautics and defence and medical technology companies, with Thales, CGG, Elekta, Virgin, Amey, Doosan, Rockwell Collins and Varian all occupying space there. Rather less conventionally, this area does also attract some professional services firms, most notably Deloitte, due to its proximity to Gatwick Airport.

Most of the prime Gatwick office stock is at City Place where occupiers include Nestle, BDO, Santander, Novo Nordisk, CAA and Lloyds TSB.

Astral Towers is conveniently on the north fringe of the Manor Royal Business Park, a short drive from both Crawley town centre and Gatwick Airport. Historically, each of these areas has seen broadly similar rental performance, with current prime rents reaching circa £24.50 per sq ft in each case, matching the longer term top headline rent level.

The ten year take-up average in Crawley/Gatwick is approximately 120,000 sq ft, peaking in 2015 which saw almost 350,000 sq ft of take-up, dominated by the prelets to Virgin and Elekta. The dominant deal unit size nevertheless is within the 5,000 to 15,000 sq ft bracket, save for these large pre-lets.

The following provide examples of recent rental transactions within the Crawley/Gatwick market:

Date	Property	Area (Sq Ft)	Tenant	Term (Break)	Headline Rent (psf)
Jun 2017	Astral Towers, Crawley	1,372	IAGO Solutions	5 years (3 year break)	£22.50
Mar 2017	St Johns House, Crawley	9,789	Grant Thornton	10 years (5 year break)	£22.00
Jan 2017	Origin 1, Crawley	8,034	TUI Travel	10 years (5 year break)	£24.00
Dec 2016	Portland Building, Crawley	3,435	Air Safety Support International	5 years	£21.50
Jun 2016	First Point, Gatwick	8,152	HSBC	10 years (5 year break)	£24.50

## investment market

The South East office investment market showed steady signs of improvement throughout 2016, with investment volumes in the South East office market reaching £2.9bn (well ahead of the long-term average of £2bn) after buyers returned to the market following a slow start.

Turnover at the mid-year point reached £973m, 7.4% above the long term average, proving that the investment market remains resilient, particularly when considering the relative lack of available stock.

Additionally, a weight of capital continues to compete for well-let South East offices, with pricing hardening over the past six months and prime yields currently standing at 5.25% with the expectation that this will harden further to 5.00% by year end.

The table below demonstrates a number of comparable investment transactions to the subject property:

Date	Address	Purchaser	Tenant	WAULT (years)	Price	Cap Val (psf)	NIY
Jul 2017	The Rivers, Rickmansworth	Darin Partners	Multi-let	6.9	£33.50m	£322	6.58%
Jun 2017	400-475 Capability Green, Luton	Columbia Threadneedle	Multi-let	4.8	£19.99m	£216	7.50%
Mar 2017	Queensbury House, Brighton	Columbia Threadneedle	Multi-let	3.4	£12.60m	£351	6.50%
Mar 2017	Cassiobury House, Watford	Tellon Capital	Multi-let	2.4	£8.37m	£231	6.75%
Feb 2017	First Point, Gatwick	Gatwick Airport Ltd	Multi-let	4.2	£18.30m	£295	7.29%
Feb 2017	500 Capability Green, Luton	MCR Property Group	Multi-let	3.2	£13.00m	£163	6.54%
Nov 2016	The Galleria, Crawley	Brydell Partners	Virgin Holidays Ltd	7.8	£8.95m	£222	6.94%
Sep 2016	The Forum, Solent Business Park	Tristan Capital	Multi-let	5.1	£43.00m	£163	7.25%
Jun 2016	Ashdown House, Crawley	Crawley Borough Council	ACE INA Services	5.4	£8.58m	£250	7.25%

#### VAT

The property has been elected for VAT and it is anticipated it will be treated as a Transfer of Going Concern.

### service charge

The service charge budget for the service charge year ending December 2017 is £1,123,457 (£9.65 per sq ft). This is in line with the recent service charge levels,with actual expenditure of £1,050,709 recorded in 2014, £1,094,302 in 2015 and £1,293,212 in 2016.

#### **EPC**

The property has an EPC rating of D-100.

## investment rationale

- A substantial, multi-let South East office investment on Manor Royal Business Park, a very well-established commercial location in close proximity to Gatwick Airport.
- Potential expansion of Gatwick would further consolidate Manor Royal as one of the premier business parks in the South East and the largest commercial centre between London and the south coast.
- Well-specified and prominent building, benefitting from a market leading car parking provision, with 624 spaces providing a ratio of 1:190 sq ft.
- An attractive initial yield, largely secured against strong covenants, off a very low average passing rent of only £15.82 per sq ft overall on the let accommodation (excluding the car parking income).
- Potential to let the vacant Third Floor space and grow the office rental profile throughout the building by taking advantage of the reversionary nature of the income, as evidenced by the recent Third Floor letting to IAGO Solutions at £22.50 per sq ft.
- Opportunity to grow the rents over the short to medium term, given the number of tenants who are wedded to this building, the combination of good quality office accommodation and an unrivalled car parking provision and the potential to split the office floors and achieve premium rental levels.
- The running yield will improve as a result of these inherent rental growth prospects.
- Capital value growth will also be achieved, by a combination of rental growth and yield compression, resulting from longer term certain periods on lease renewals, re-gears and extensions.
- Offers are invited in excess of £25,700,000 (Twenty Five Million Seven Hundred Thousand Pounds), Subject to Contract and exclusive of VAT.
- This reflects a Net Initial Yield of 7.38% and a Reversionary Yield of 9.13% (assuming purchaser's costs of 6.76%) and a capital value of £217 per sq ft.
